

Important News for 2009 Convention

- Please encourage your students to buy the beautiful 2009 “Provence” convention t-shirts. All proceeds will fund AFFC student scholarships. We will make every effort to make your t-shirts available BEFORE convention if you want to wear them on November 9th.
- The cost of UA convention registration has increased to \$15.00 per student this year. This covers room and technology rental, printing and personnel costs.
- If you have a convention day competitor cancellation, please withdraw your student from competition when you arrive. Just scratch through the selection on the master schedule provided at the registration table in the West Ferguson Lobby. This will reduce the amount of waiting time and help us minimize schedule conflicts.
- This year’s Choral Competitions will take place in the Alabama Ballroom on the second floor of Ferguson Center. The Individual Choral Competition will run concurrently with Level III/IV Skits and Level I/II Individuals. Hopefully, this will allow us to wrap up the Awards Ceremony an hour earlier this year. The Ballroom will accommodate a larger audience, but the stage area is much smaller. Larger groups may want to perform on the floor in front of the stage.
- We will decide on a theme for next year’s convention during the Sponsor Luncheon on November 9th. Think it over and come prepared to discuss your best ideas.
